1. Hello Adrian,

Attached is the invoice receipt you requested.

The counters look great.

Thank you

Sandy P.

2. Adrian Frank,

Received your sales agreement and it looks great { on budget } I will sign and fax to you and send check for the 60% down payment. The only problem is there is a great deal of work before you can template. threes plumbing, electric and gas to move floor to add and finish and the island is going to the paint shop Monday. As you can see you are about 2 weeks out, I hope this will work for you. I wish the rest of the people were as diligent as you.

Regards Louie

3. Thanks for a great job! I am very satisfied. Pat C.

Here is her address: xxxxx xxx ave ne Kirkland.

5. Hi Adrian,

Laura

6. Yes, we would be happy to recommend you and were delighted with your work. By the way, we just sold the house to the first people that looked at it - and they made a full price offer! They loved the kitchen. Keep growing, Marianne B.

7. Thank you. I like the solid surface a lot but a \$35/ft I still think we should try to find a less expensive surface because we are moving and because we believe the people who buy the house will likely chose to replace the cabinets anyway.

I will print your company's info. and include it with the paperwork for the new buyers in the event they want you to do their counters!

I appreciate all the time you have spent with our concerns. You have gone above and beyond in customer service and I will definately recommend your co. to others.

Thanks again,

~ **Laura**
